Spinning Has Its Rewards

Las Vegas showroom visitors had the chance to try their luck at the 'Spin to Win' wheel during market. To spin, attendees had to be a member of Surya Rewards, Surya's popular customer loyalty program. More than 200 **Surya Rewards** participants gave the wheel a whirl, winning prizes such as Fitbits, Apple® TVs, gift cards, Surya accessories, Surya Points, airlines miles, hotel points and a jackpot that grew larger with each spin. Twenty participants won a charitable donation in their name to **Akshaya Patra**, which will feed 300 school children hot, nutritious lunches for an entire year.

Amber Carper of "O" Street Carpet in Lincoln, Nebraska (first photo, left) won one of four jackpots, earning 1,250 Surya Rewards Points. Tracie Malloy of Alicia Friedmann Interiors in Long Beach, California (second photo) won a 5' x 8' Tibetan wool rug.
